*Western Washington Pro-Life Update*

July 1, 2009

*"As believing Catholics, we know that behind the murder of unborn children is the superhuman mind and malevolent will of Satan and his minions. To know this is to also know that only divine power is a match for the demonic power behind abortion. This divine power is the power of the God who became man in order, as He told us, to conquer the devil as master of the world."*

*~ Fr. John A. Hardon, S.J. – Abortion as Pagan Sacrifice ~*
