Western Washington Pro-Life Update

November 19, 2008

“There are those who are constantly trying to write the obituary of the pro-life movement. I remember in the mid-1980's a television commentator reporting on the huge crowd at the annual March for Life as the "dying gasp" of the movement. It is 20 years later and the pro-life movement is growing stronger and younger.”

~ Archbishop Joseph Naumann, [Zenit Interview](#), 11/19/08 ~

If you would like to become a member of Mustard Seed, send them an email: MSeed4life@aol.com

On December 10, pro-abortion groups will present petitions asking the United Nation's General Assembly to make abortion a universally recognized human right. The Catholic Family and Human Rights Institute created an alternate petition drive that calls for government to interpret the Universal Declaration of Human Rights as protecting human life from the moment of conception to natural death. They need at least 100,000 signatures by December 10th, the 60th Anniversary of the Universal Declaration of Human Rights. Visit the Website and [sign the petition](#).

Please encourage your family and friends to do the same.

"Love Is A Choice" Honors St. Gianna

EWTN special programming includes a documentary about St. Gianna Molla, an Italian physician, who in 1962 sacrificed her own life for the life of her unborn child. It airs **November 22** at 5 p.m. and 11 p.m. and **November 27** at 10 am. All times are Pacific. EWTN is carried on Comcast Ch. 229, DISH Satellite Ch. 261, and Direct TV Ch. 370.
