

Knights of Columbus

A Catholic, Family, Fraternal, Service Organization

Save the Date!

The Knights of Columbus are holding the 6th annual “It’s About Life” Conference on Saturday February 6th at St. Joseph’s Parish in Kennewick WA. These conferences have grown to be the premier pro-life event in Washington State. Registration is enclosed and a flier is attached which lists the exceptional line-up of speakers for this year’s conference.

This year, we have four exceptional speakers:

- Professor Janet Smith, well known author and producer of the talk “Contraception Why Not” with over 1 million copies distributed.
- Father Matthew Habiger, member of NFPoutreach.org and common guest on EWTN’s Catholic Answers and Teresa Tomeo.
- Abby Johnson, former director of a Texas Planned Parenthood Clinic that achieved national notoriety (Fox News) when she quit her job because by witnessing an abortion via ultrasound which instantly and profoundly converted her to be Pro-Life.
- Dr. Elma De Leon, Physician at Lourdes Medical Center practicing Natural Family Planning.

Due to the popularity of the speakers, we expect a large turnout this year and will limit attendance to meet the capacity of the facilities. Please fill out the attached registration card and send it in early to reserve your place. Tables are available for groups of 8-10, please indicate your group on the registration card. Please note that the starting time is set for 9:00 am, we expect to be done by 4:00 pm. Father Habiger will be preaching at the 5:30 Mass at St. Joseph parish.

We will provide space for lunches at the parish activity center (PAC) on the St. Joseph’s parish campus. Cinco De Mayo Mexican restaurant will cater the meal. There are several restaurants in the area for those who like other choices.

Since one of the goals of the conference is to allow Pro-Life groups to interact with each other, we will have vendor tables available for \$25 each. These will be set up in the foyer of the main church (which is where the talks will be held). If your group would like a vendor table, please indicate it on the back of the registration form.

As we do not have the ability to take credit cards, please send cash or a check with your registration form. We are all looking forward to seeing you February 6th for the pro-life event of the year.

Sincerely,

John Hickman
Chairman
“It’s About Life” 2010
